

Dear Neighbor:

The City of Greeley and Weld County would like to invite you to an Open House discussing the North Greeley Rail Corridor Sub-Area Study.

When: Monday, July 14th, 2008 from 4:00 to 7:00 PM
Where: Poudre Learning Center
8313 F Street, Greeley, Colorado

The Open House will be discussing the North Greeley Rail Corridor Sub-Area Study. This is a study currently being done to plan for and develop the area contained within Highway 392, Highway 85, and WCR 23 (See area map on back). We are looking to understand many different factors within this area to come up with a plan that preserves the areas strengths and addresses concerns within the area.

Your input will help us in developing the study and understanding the area. At the Open House, Weld County and City of Greeley staff will introduce and review the study, hear your initial concerns, identify issues that you feel are important, and provide you with the opportunity to sign-up for study area focus groups. The comments that you and your neighbors make about the area are vital to the study because you know the area best!

If you have questions about the Open House or the study, please contact Brad Mueller (353-6100 ext. 3572) or Greg Flebbe (350-9782). Thank you for your time and we look forward to hearing from you on July 14th!

Ed Clark
Mayor of Greeley

William Jerke
Chair, Weld County Commissioners
