Minutes from the February meeting were approved as submitted.

Members each provided the goals they had identified as priorities for the HRC to address in the next year or two. The task for the HRC will now be to agree on the priorities and begin work.

After discussion, the consensus was that the common themes/goals are:

- 1) Identify needs of community  
Commonalities
- 2) Identify educational opportunities for community  
Flag, forums
- 3) Enhance visibility and presence of HRC  
City Council
- 4) Collaborate with organization and businesses
- 5) Establish training for Commission members
- 6) Establish funding opportunities to meet HRC mission

The goal and priority discussion will continue at the April meeting and will be the only item on the agenda. Sharon will contact Kit Chalberg with the U.S. Department of Justice (DOJ) and invite him to the May rather than the April meeting.

Sharon reminded members that a number of them were appointed to fulfill the terms of former HRC members and if they are interested in continuing on the Commission, they must complete the new application that was distributed.

Meeting adjourned at 1:35 p.m.
