

# HISTORY

In 1990, "National Youth Service Day" was created out of a union between the *Jefferson Awards*, the *Points of Light Foundation*, the *U.S. Conference of Mayors* and *Youth Service America*.

**National Youth Service Day** is an annual public awareness and education campaign designed to broaden national, regional and local recognition of the power of youth service.

The purpose of this day is to reinforce to young Americans the importance and the excitement of helping others.

The award presentation will include a special address by the Mayor of Greeley, along with a commemorative plaque.

For more information, please call 970.350.9548.
