120 - first floor
120 - second floor

Standing

325 - First floor
167 - Second floor

Capacities may vary with set-up requirements.

UNION COLONY
CIVIC CENTER

FEATURES

The Grand Staircase, which connects all levels of the building, is the focal point of the main lobby. The suspended sculpture chandelier sheds a kaleidoscope of colored patterns through out the lobby area.

The Two Rivers Lounge located on the second floor is perfect for pre-show lectures or social gatherings for groups under fifty.

The Patio Lounge accommodates groups under forty and conveniently opens to an outdoor area for additional space, weather permitting.

AMENITIES

- ❖ Over 815 parking spaces are conveniently located within a two block radius, with 95 spaces adjacent to the entrance.
- ❖ Convenient interior and exterior entrances for the physically challenged are available.
- ❖ A listening enhancement system for the hearing impaired is available.
- ❖ Computerized ticketing services are in-house with expanded sales capability available.
- ❖ Audio-visual equipment is available on request.
- ❖ Trained volunteer house staff is available as ticket takers and ushers, or to greet your guests at performances, receptions, and special occasions.
- ❖ Select the caterer of your choice; a commercial kitchen can be reserved in the adjoining Recreation Center.
- ❖ The Union Colony Civic Center is located one hour from Denver International Airport and reached via US Highway 85 or Interstate 25.
