

**ZERO DISCHARGE CERTIFICATION**

I certify that the facility named \_\_\_\_\_

located at \_\_\_\_\_

has not discharged any silver-rich solutions to the local wastewater treatment system since the last reporting period for the Silver BMP Plan.

**Check the option that applies to your facility:**

- All silver-rich solutions are transported off-site for treatment and the appropriate records and forms are being maintained at this facility in accordance with the City of Greeley’s Best Management Practice Plan requirements.
  
- Silver-rich solutions are currently being stored on-site due to small amount.  
\*Please indicate amount: \_\_\_\_\_
  
- This Facility is now using digital technology and therefore no longer discharges any silver solutions to the local wastewater treatment system.
