

## GET's Guidelines to Ride

**Pay the right fare:** Pay as you get on the bus or be prepared to show proof of having paid the correct fare and/or ID for reduced or free fare.

**Do not distract the driver or bother others:** Interfering with the safe operation of a transit vehicle is not only not smart, but hazardous to you and everyone else.

**No Smoking!** There is no smoking on buses, in bus shelters or in transit facilities (including e-cigarettes). If you must smoke, please do so at least 25 feet away from the bus, bus shelters, and/or transit facilities.

**Make the ride comfortable for everyone:** Designated seats at the front of every bus are reserved for seniors and customers with disabilities. Please surrender your seat to these customers when they board.

**Use headphones and respect others' privacy:** Groove, jam, rock out – just realize that it's your *own* soundtrack. Don't share it with others.

**Use your inside voice:** If you talk on your phone, remember that you've got an audience. Be mindful of your language, keep your voice low and your call brief.

**Keep it clean:** Respect those who will ride after you. Keep your feet off the seats and take litter off with you when you leave.

**No shirt, no shoes – you know the rest:** Just like in stores and other businesses, customers without shirts or shoes will be refused service.

## GET's Guidelines to Ride

**Use only G-rated words:** Using profanity or derogatory statements is not tolerated on buses. Use of this language can get you removed from the bus.

**No eating, alcohol or drinks in uncovered containers:** You're welcome to bring your morning coffee with you. Just make sure it's in a container with a sealed lid – and drinks with straws are NOT considered to be a sealed container. Be sure to take the container off the bus when you leave.

**Say no to sprawl:** Your bag or bags belongs on your lap, not taking up the seat next to you. If you're standing, make room by moving to the back of the bus. Ensure strollers/walkers are folded and placed between seats. Finally, for their safety, small children need to be held.

**Keep "Fluffy" in a carrier:** Pets are welcome on buses as long as they are kept in animal carriers; service animals are exempt. Animals are not allowed on the seats.

**NOTE:** Any infractions of these guidelines may result in the refusal of your opportunity to ride the bus. If you have any questions or concerns, contact Transit Management at (970) 350-9287.
