Addendum Questions/Items

Item #1

Correted Language (page 14) Evaluation Criterion #3 - e.g., Value/Cost of Efforts

1. Provide an hourly rate table organized by position classification. Be sure to include complete hourly billing rates for the consulting services and products broken down by task listed under the Scope of Services, above.

2. Show a breakdown of all reimbursable expenses required to complete the work. If applicable, the subcontractors' costs must be shown as separate items.

We want all the consultants to provide their billing rates for each scope of service item (i.e Entry Engineer \$125, Communication Leader \$135, etc.). We do not want a fee estimate for each project.
