<b>Project Name:</b>	US34 & CR17 Intersection Improvements Design
<b>RFQ Number:</b>	F22-10-085
<b>Date:</b>	October 26, 2022
<b>Project Manager:</b>	Bhooshan Karnik

## Addendum Questions

<b>Question #1</b>	Is there, or does the City anticipate, state or federal funding to be associated with this project, or is it all local City of Greeley funds?
<b>Answer</b>	The funds are all anticipated to be local City of Greeley funds.
<b>Question #2</b>	The RFP refers specifically to the need for ROW survey and plans. Will the engineer be responsible for ROW Acquisition or does the City already have a consultant?
<b>Answer</b>	The City will be responsible for ROW acquisitions. Engineer will be responsible to provide ROW plans, easements, survey, plats, etc.
