Addendum Questions

Question #1	Approximately how many firms does the City intend to select under this RFP? (IE, approximately 5 or more, 10 or more, etc.)
Answer	The City plans to select a minimum of three qualified firms as indicated in Section I.C. There is no maximum.
Question #2	Who are the incumbent firms currently under contract to provide these services to the City? (I think selected under RFQ # 18-020)
Answer	This is a fresh selection.
Question #3	Can a Civil Engineering Firm submit as a Prime?
Answer	Any firm can be the prime as long as they can meet the material requirements of the RFQ.
Question #4	In the RFQ document, page 2 of 22 indicates a Qualifications Due Date of March 3, 2023. Page 9 of 22 indicates a submittal date of February 17, 2023 in Section B. Period of Award. I'm assuming this is a typo., but please confirm.
Answer	The Qualifications Due Date is Friday March 3, 2023 by 2:00pm. Please send your qualification proposal via email to Purchasing@Greeleygov.com . I apologize for the confusion.
Question #5	Our firm provides structural, mechanical, electrical, plumbing, communications/data engineering but not architectural or FFE design. Should we submit a proposal that includes all services we offer even though they are not inclusive of all services sought by the City? If yes to previous question, does the City favor proposal submittals that include all services sought?
Answer	Any firm can be the prime as long as they can meet the material requirements of the RFQ. The selection will be per the statement of work and the evaluation criteria.
