SECTION I. BACKGROUND, OVERVIEW, AND GOALS

A. Background

The City of Greeley is a home rule municipality with a council-manager form of government and is the county seat and the most populous municipality of Weld County, Colorado. Greeley is in northern Colorado and is situated 52 miles north-northeast of the Colorado State Capitol in Denver. According to the U.S. Census Bureau, the population of the city is roughly 111,000 which makes it the 12th-most populous city in Colorado. The City has an annual budget of ~\$490M with a fiscal year that starts Jan 1st, and employees over 1100 employees. Greeley is a major city of the Front Range Urban Corridor and home to the University of Northern Colorado which is a public baccalaureate and graduate research university with approximately 12,000 students and six colleges as well as Aims Community College, which has served the community since 1967.

B. Overview

The City of Greeley, a Home Rule City, per Colorado laws is legally responsible for collecting all sales and use tax from businesses operating within the City limits. It does contract with a third-party vendor for audits of national companies conducted with other Colorado cities.

Further, the City, like many other Colorado cities, has a variety of Tax Districts. In these, it is important to understand the allocation of the taxes in these different districts. Also, the City has voter approved taxes for specific purposes as well as a dedicated sales tax on food for home consumption for a defined purpose.

The City is soliciting proposals for the purpose of comprehensive Compliance and Auditing program. The responsibilities of a company need to include, but not necessarily be limited to, the Scope of Services identified in the following section. Each individual element of the Scope of Services needs to have a cost identified with the staff identified by title and hours to complete the various elements.

The contract will only be effective for three years. The City is subject to limitations of Article X, Section 20 of the Colorado State Constitution ("TABOR") against entering into multi-fiscal year obligations without first obtaining voter approval. Therefore, notwithstanding anything in this RFP to the contrary, all payment obligations of the City are expressly dependent and conditioned upon the continuing availability of fund beyond the City's current fiscal period ending upon December 31, 2023. Financial obligations of the City payable after the current fiscal year are contingent upon funds for that purpose being budgeted, appropriated and otherwise made available in accordance with the rules, regulations, resolutions and ordinances of the City. Upon failure to appropriate such funds, any agreements entered into between the City of Greeley and the selected contractor based on this RFP shall be terminated.

The City has a 2023 appropriation for this project. Thus, the contract will include a continuation clause, if appropriations are available.

C. Goals

To conduct audits in an equitable and well-defined process. This process needs to follow the City of Greeley perspective. While it is reasonable to expect the City may be able to increase revenue from this program, the objective is to ensure businesses understand the need for an equitable tax system and they report accurately and within the defined and legal time limits.

SECTION II. STATEMENT OF WORK

A. Scope of Services

The proposer shall provide the time and costs of the following 2023 elements. If a proposer wants to recommend additional elements, the City is willing to consider them. The City may modify the Scope of Work, negotiation and/or by written addendum issued dependent upon costs and time requirement. Any changes to the Scope of Services will be a part of the final agreement with the selected vendor.

- Recommend audit procedures; recommend written policies and procedures for auditing. This work will review the City's current activities and make recommendations with comparisons to other cities' policies and procedures.
- Review of the City's current retail sales tax reporting form. Comparing this form to other agencies, are there improvements that can be made to the City's form to make it easier to report.
- Assist the City with the selection of taxpayers for potential audits. The City has a third-party auditing firm that conducts audits of national companies in conjunction with other cities. The City and the contractor will need to develop a plan that the City Manager and the Chamber will be aware of. The reasons the City needs a compliance program will need to be presented.
- Develop Performance Measures. Based on cities similar to Greeley, the Proposer needs to help the City develop performance measures to evaluate the success of this program.
- Perform Sales and Use Tax Audits. The City of Greeley does not have a specific number of audits that need to be conducted in 2023. Based on the above three elements, the Proposer needs to recommend the number and the timing of the audits. The question the City will have been how many of these elements can be accomplished simultaneously.
- All audit reports will be discussed with City staff prior to working with the business. It is the City's first goal to have businesses appropriately report, not to increase revenue.
- Provide comprehensive and defensible audit reports, work papers, correspondence, filings and original data to the City. The City will own all materials related to the audit.
- Provide support to the City for Taxpayer negotiations and protested assessment hearings.
- Proposers may be requested to make presentations to City Management, City Council or interested parties, such as the Chamber of Commerce. For pricing purposes, the Proposer can assume, at least, 12 meetings over the course of the agreement. Costs for additional meetings will be negotiated, if they occur.
- Review sales tax reports on a quarterly basis. This is to help monitor and analyze any "anomalies" that should be reviewed for audit purposes and to make recommendations on issues the consultant may have to add value to the City's reporting issues.

B. Period of Award

The completion date of providing the required product and services shall be March 31, 2024. One year contract with two yearly renewable options.

If the City desires to extend the contract, no later than thirty (30) days prior to expiration, the City's Purchasing Contact may send a notice in writing to the vendor requesting firm pricing for the next twelve-month period. After the City evaluates the firm pricing proposal from the vendor, it will determine whether to extend the contract. All awards and extensions are subject to annual appropriation of funds. The provisions of the foregoing paragraphs with respect to extensions of the terms of the contract shall be null and void if the contract has been terminated or revoked during the initial term or any extension thereof. All decisions to extend the contract are at the option of the City.

C. Minimum Mandatory Qualifications of Offeror

The proposers must have knowledge of and remain current on federal, state and local state and use tax laws. The proposer will have to become qualified to interpret and apply the City of Greeley's sales and use tax ordinance. The proposer will be responsible for informing the City if there are any external influences that will impact the City's tax base.

- The contractor will generally work with the Sales Tax Manager.
- A timetable is very important to help the City determine the time requirements for all involved.
- Ensure appropriate and assigned staff members are available during regular business hours to ensure communication between contractor and city staff.
- Maintain accurate security for all taxpayer and city information obtained in the analysis or completion of any audit in compliance with all federal, state and local laws.
- The City may request that any staff member not acting in the best interests of the City be removed.

E-Mail: Purchasing@greeleygov.com
Subject Line: RFP #F23-02-016

Response to offerors' inquiries will be published as addenda on the Rocky Mountain Bid System in a timely manner. Offerors cannot rely on any other statements that clarify or alter any specification or other term or condition of the RFP.

Should any interested offeror, sales representative, or manufacturer find any part of the listed specifications, terms and conditions to be discrepant, incomplete, or otherwise questionable in any respect, it shall be the responsibility of the concerned party to notify the Purchasing Contact of such matters immediately upon discovery.

The City shall be named as additional Insured for General and Auto Liability Insurance.

Awarded offeror must present the City with proof of PROFESSIONAL LIABILITY COVERAGE with a minimum limit of \$1,000,000. (this is required for professional design service type RFP's and will be removed on other professional type RFP's)

E. Modification or Withdrawal of Proposals

Proposals may be modified or withdrawn by the offeror prior to the established due date and time.

F. Minor Informalities

Minor informalities are matters of form rather than substance evident from the response or insignificant mistakes that can be waived or corrected without prejudice to other vendors. The Purchasing Manager may waive such informalities or allow the vendor to correct them depending on which is in the best interest of the City.

G. Responsibility Determination

The City will make awards only to responsible vendors. The City reserves the right to assess offeror responsibility at any time in this RFP process and may not make a responsibility determination for every offeror.

H. Acceptance of RFP Terms

A proposal submitted in response to this RFP shall constitute a binding offer. The autographic signature of a person who is legally authorized to execute contractual obligations on behalf of the offeror shall indicate acknowledgment of this condition. A submission in response to this RFP acknowledges acceptance by the offeror of all terms and conditions as set forth herein. An offeror shall identify clearly and thoroughly any variations between its proposal and the RFP in the cover letter. Failure to do so shall be deemed a waiver of any rights to subsequently modify the terms of performance, except as outlined or specified in the RFP.

I. Protested Solicitations and Awards

Right to protest. Any actual or prospective bidder, offeror or contractor who is aggrieved in connection with the solicitation or award of a contract must protest in writing to the City Manager as a prerequisite to seeking judicial relief. Protestors are urged to seek informal resolution of their complaints initially with the Purchasing Manager. A protest shall be submitted within ten (10) calendar days after such aggrieved person knows or should have known of the facts giving rise thereto. A protest with respect to an invitation for bids or request for proposals shall be submitted in writing prior to the opening of bids or the closing date of proposals, unless the aggrieved person did not know and should not have known of the facts giving rise to such protests prior to bid opening or the closing date for proposals.

Stay of procurement during protests. In the event of a timely protest under Subsection (A) of this Section, the Purchasing Manager shall not proceed further with the solicitation or award of the contract until all administrative and judicial remedies have been exhausted or until the City Manager makes a written determination on the record that the award of a contract without delay is necessary to protect substantial interest of the City. (Ord. 75, 1984 §2 (part))

J. Confidential/Proprietary Information

All proposals will be confidential until a contract is awarded and fully executed. At that time, all proposals and documents pertaining to the proposals will be open for public inspection, except for the material that is proprietary or confidential. However, requests for confidentiality can be submitted to the Purchasing Contact provided that the submission is in accordance with the following procedures. This remains the *sole responsibility* of the offeror. The Purchasing Contact will make no attempt to cure any information that is found to be at a variance with this procedure. The offeror may not be given an opportunity to cure any variances after proposal opening. **Neither a proposal in its entirety, nor proposal price information will be considered confidential/proprietary.** Questions regarding the application of this procedure must be directed to the Purchasing Contact listed in this RFP.

K. Acceptance of Proposal Content

The contents of the proposal (including persons specified to implement the project) of the successful contractor shall become contractual obligations into the contract award. Failure of the successful offeror to perform in accordance with these obligations may result in cancellation of the award and such offeror may be removed from future solicitations.

L. RFP Cancellation

The City reserves the right to cancel this RFP at any time, without penalty.

M. Negotiation of Award

In the event only one (1) responsive proposal is received by the City, the City reserves the right to negotiate the award for the services with the offeror submitting the proposal in lieu of accepting the proposal as is.

Where (1.b) above has been deleted or modified, the proposal will not be considered for award unless the offeror furnishes with the proposal a signed statement which sets forth in detail the circumstances of the disclosure and the City's Purchasing Manager, or designee, determines that such disclosure was not made for the purpose of restricting competition.
 4. The Contract Documents may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same document.
