My designs focus on hand-crafted hammered mixed metals combined with semi-precious gems, antique trade beads & other unique beads or stones, and the addition of salvaged/recycled or discarded silver/copper/brass. My hand-built ceramics are mostly Raku fired one-of-a-kind pieces, focused on the dynamic contrast of black & white in the glaze crackle. I compliment the clay forms with reclaimed metal components as with my jewelry. Live outside Cheyenne where I have a studio/home on the high plains prairie selling my work primarily in Wyoming and in Colorado.
