Addendum Items

Item 1:	Are the full AUTO CAD files available for the 4 th Ave Reconstruction project? Please see the following FTP site.
	https://nextcloud.greeleygov.com/index.php/s/377TkBd6EN6jt65
	However please be aware of the following:
	<p>Regarding the files:</p> <ul style="list-style-type: none">- They were created in civil 3d version 2019 ACAD design software. Earlier versions of CADD may not be able to open new versions.- There are objects created in civil 3d and will not be visible with regular CADD programs. Free Civil 3d viewers are available on-line for download enabling civil 3d objects.- Individual workstation and cadd settings that differ than AVI's, may alter the design,- Drawings are for reference only and stamped drawings govern,
	The City of Greeley is not responsible to provide the appropriate software to review the AUTO CAD drawings. The original packet of information is sufficient for a vendor to provide a response bid.
