CLARIFICATIONS

The Following clauses are to be added to the specifications:

1. The City of Greeley may award the 2021 Striping Contract possibly up to two different contractors, at the sole option of the City. This is due to the amount of work to be completed in the construction year 2021 though this might be impacted by schedule and weather. One contractor or both maybe be used at the same time but on different job locations.

| | |
|--------|--|
| | 2. Contractor that is bidding the 2021 Striping program, shall supply the City of Greeley with their bid, a list of contracts they have completed in the past three years 2020, 2019, 2018. List shall include the name of the contract, amount of the contract, the agency (City, Town, County or State of Colorado) contract is with, amount of the contract issued, contact information, person responsible for the administration of contract, the agency issuing the contract, and phone and email contact information. |
| | Material Specification clarification: |
| | Contractor shall use CDOT approved material for Thermo Plastic Traffic Markings, Epoxy Paint and Reflective Beads. Reference CDOT Cooperative Purchasing Agreement Schedule Materials |
| Item 1 | Will all needed grooving/removals be paid under line 1 or are any incidental to the scope. |
| | Yes, under line 1. |
| Item 2 | Line item 30 is "AHEAD" are these 8' |
| | Yes, 8' "AHEAD" |
| Item 3 | Any Temp striping or tabbing needed for overlay or chip projects? |
| | Temp tabbing on overlay only. Not on milling. |
| | |
