Project Manager:	Andrew T. Fisher

Addendum Items

Item 1:	Exhibit 1, to be included with Section A - Cover Letter, does NOT count against the 18 page proposal limit.
Item 2:	As stated in the Pre-proposal conference, the City was told to expect updated modelling and mapping files in November. To date, these have not been received.
Item 3:	The most recent Cache La Poudre River hydraulic model and spatial files (dated May 2019) are available at the following link: https://nextcloud.greeleygov.com/index.php/s/Qy3q5S38R9mxBR7 . Applicants shall note that the modelling files were split between Upper and Lower Greeley reaches. All priority areas identified are in the Lower Greeley reach. However, the consultant may identify locations in the Upper Greeley reach.
Item 4:	The Effective floodplain map is available at the following link: https://nextcloud.greeleygov.com/index.php/s/5Q2pCwTAPAgX2NJ
Item 5:	Consultants are reminded that proposals are due on Tuesday, December 10, 2019 before 5pm.
