Neighborhood Needs and Desires Guidelines

After you have completed your application and submitted it for consideration, the City Clerk's Office will set the neighborhood boundaries and a public hearing date within three (3) business days. The neighborhood boundaries are typically a one-half mile radius of the site proposed for a liquor license, and the public hearing date will be not less than 30 days from the date of receipt of your application by the City Clerk's Office. You will be provided, by mail, with a copy of the boundary map, as well as an acceptance of boundaries to be signed by you and returned to the City Clerk's Office.

Before approving a liquor license application, the Greeley Liquor Licensing Authority must consider the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidenced by petitions, remonstrance letters, or other evidence submitted by you. The burden of producing such evidence is placed upon you, the applicant. Although the law does not require that an applicant petition the neighborhood, it is the most common form of evidence presented. If you choose to use the petitioning method of proving neighborhood needs and desires, the survey petition and summary, which can be provided by the City Clerk's Office, must be used in this process. There are professional survey firms that you may contract with, however, the decision to use any such firm is entirely yours. Signatures obtained from petitioning should be from residents of the neighborhood and/or owners/managers of businesses within the designated neighborhood boundaries and who all must be at least 21 years of age.

There is no set number of required signatures you must obtain on a petition, but you must provide the Authority with sufficient evidence to support its findings that: 1) the reasonable requirements of the neighborhood establish a need for the issuance of the requested license; and 2) that the desires of the inhabitants dictate the issuance of the license. The Authority will also be looking to assure that a good sampling of the designated neighborhood was taken.

Each petition must contain a signed Affidavit of Circulator indicating that he/she personally witnessed each signature appearing on the petition and that, to the best of his/her knowledge, each signature is the signature of the person whose name it purports to be and that the address given opposite the person's name is the true business or residence address of the person signing the petition. Failure to affix a completed Affidavit of Circulator, including notarization, may cause the petition(s) to be invalidated.

If the petitioning method is used for proving neighborhood needs and desires, your petition packet must be submitted to the City Clerk's Office no later than eight (8) days prior to the scheduled public hearing date for review. Within three (3) days from receipt of the petition packet, the City Clerk's Office will provide you with a statement of review concerning the petition signatures verifying that they meet the criteria mentioned above. The applicant will then have an opportunity to amend the petition, obtain additional signatures, etc., if desired. An amended petition for the Authority's review and consideration must be filed the Tuesday prior to the scheduled public hearing.

This information is meant only as a guideline provided as a courtesy by the City of Greeley. Applicants are encouraged to consult a private attorney for answers to legal questions or concerns.
