## **16.60.070 Procedure for nomination of historic properties**

### **(a) Nomination procedures.**

(1) Owner nominations. Any owner may nominate their property, area or structure for designation on the City's Historic Register.

(2) District nominations.

(3) Non-owner nominations. The Planning Commission, Greeley Urban Renewal Authority, Downtown Development Authority or any preservation organization including nonprofit historic preservation groups may nominate a property, district, area or structure for designation subject to all the rules and procedures of this entire Chapter.

Non-owner individual nominations are to be reviewed under stricter protections and must meet the following criteria of overwhelming historic importance to the entire community:

(i) Possessing such unusual or uncommon significance that the structure's potential demolition or major alteration would diminish the character and sense of place in the community of Greeley; or

(ii) Possessing superior or outstanding examples of architecture, social or geographic historic significance criteria outlined in the criteria for designation 16.60.060.

The term "superior" shall mean excellence of its kind and the term "outstanding" shall mean marked by eminence and distinction.

Persons or organizations wishing to initiate a nomination should contact the Historic Preservation Specialist for written policies and procedures for nomination.

**(d) Moratorium.** For a potential historic property or district which had been nominated but not yet designated, legal protection for the nominated property shall be afforded for one hundred twenty (120) days or until its status is determined (whichever is shorter). Permits to alter or remodel the exterior of a property or to build, relocate, or raze shall not be issued during that 120 day period, except by written exemption by the Commission under the following criteria:

(1) as necessary by law under Federal, State, or City ordinance; or

(2) deemed to be an emergency; or

(3) unreasonable economic hardship, or

(4) improper nomination.

Owners requesting such exemption may seek an immediate hearing before the Commission by filing a request for an immediate hearing with the Historic Preservation Specialist. If at such hearing, the Commission votes by a two-thirds (2/3) majority vote that the property is eligible for exemption, the moratorium or nomination shall be dropped in the entirety or with specific exclusions for that specific property.
