**I. Call to Order**

Chair Hall called the meeting to order at 1:15 p.m. Commissioners Rarick, Ramirez, Jones, Weaver, Mayeda and Mirick were present.

**II. Approval of minutes for the meeting held on March 10, 2015**

Commissioner Mayeda made a motion to approve the minutes from March 10, 2015 as presented. Commissioner Weaver seconded the motion. The motion carried 7-0.

**III. 2015 Odor Report**

Karen Scopel, Natural Resources Planner, addressed the Commission and referenced the memorandum and report that were part of the packet. Ms. Scopel provided a brief overview of calls received during 2015. She presented a graph comparing the number of calls from prior years. Ms. Scopel also described the process for responding to calls.

Commissioner Rarick asked what type of odor was represented by “other” on the chart. Ms. Scopel advised that “other” was used for an odor, such as marijuana, that doesn’t fall into one of the other categories.

**IV. Adjournment**

There being no more business, the meeting adjourned at 1:23 p.m.
