

The Greeley Forestry Program began hosting the Winter Tree Care Workshop in 1990. This year's workshop includes updates and state-of-the-art information from Dr. Whitney Cranshaw, local tree care representatives, national experts and others. Several vendors and suppliers have also been invited to share their wares! Come help us share information about tree care.

*Need more information or have a question?
Call the City of Greeley Forestry Program
at 970-339-2405. A map to the workshop is
available at GreeleyForestry.org.*

*Register and pay online with Eventbrite!

28th Annual WINTER TREE CARE WORKSHOP

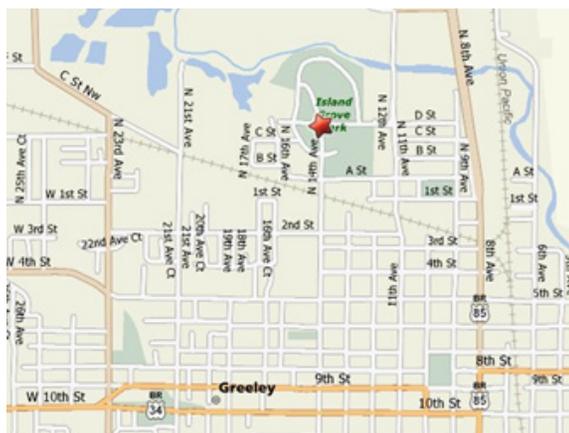

Friday, February 24, 2017

Island Grove Events Center
421 N. 15th Avenue
Greeley, Colorado

28th Annual WINTER TREE CARE WORKSHOP

Friday, February 24, 2017
Island Grove Events Center
421 N. 15th Avenue
Greeley, Colorado

From I-25: Take HWY 34 east to HWY 34 Business Exit. Follow HWY 34 Business (which becomes 10th Street) east to 14th Avenue. Turn north on 14th Ave and proceed north past A Street. You are now in Island Grove Regional Park. Take the first left turn. The Events Center will be straight ahead of you.

From HWY 85: Turn west on 13th Street. Follow 13th Street west and then turn north on 14th Ave and proceed north past A Street. You are now in Island Grove Regional Park. Take the first left turn. The Events Center will be straight ahead of you.

ISA Certified Arborist and Colorado Department of Agriculture credits have been requested for this workshop.
