157.00 DISTRICT ATTORNEY EVIDENCE RELEASE LETTERS

- The Weld County District Attorney's Office routes the original signed evidence release letters directly to the Greeley Police Department Evidence Unit. The Evidence Unit keeps a copy of the letters and places them in notebooks in case number order by year. The letters are then a reference to allow the final disposition of all property within the listed case report number.
- The original evidence letter is then routed to the Records Section where it is handled according to their procedures.
- Once the property from a case has been worked, the D.A.'s release letter copy can be pulled from the evidence unit notebook and shredded.
