## 366.00 TRAINING PROGRAMS

- All training program proposals will reflect the performance objectives to be achieved by the implementation of the program. These objectives should:
  - Identify job tasks the training program will address in the subject matter;
  - Clearly state the material or skills to be learned by the student;
  - Provide a mechanism for evaluation of the program by the attendees; and
  - Provide a mechanism to evaluate the effectiveness of the program via testing or practical experience.
- Included in the proposal will be lesson plan materials and a logistical statement noting projected costs, scheduling difficulties, required facilities, etc.
- The proposal shall be submitted to the Support Services Division Commander and upon his consent forwarded to the Chief of Police for approval and adoption.
