SECTION I. BACKGROUND, OVERVIEW, AND GOALS

A. Background

The City of Greeley is located 10 miles east of Interstate 25, along state highway 34 in Weld County, Colorado. Greeley is approximately 55 square miles in size and regionally less than an hour to the north of Metropolitan Denver on the Northern Front Range.

Historically an agricultural area, the City has become a dynamic and involved community creating a highly desirable place for new families to call home. A very diverse population estimated to be above 108,000 residents with an anticipated growth of 2% - 3% annually.

The City of Greeley's public golf courses, Highland Hills GC and Boomerang Links GC, are two of eight golf courses in Weld County. Three of which are private country clubs. Outside of Weld County are ten public golf courses within 45 minutes of Greeley located in the cities of Longmont, Loveland and Ft. Collins.

B. Overview

The City of Greeley's Culture, Parks, and Recreation Department / Golf Division is seeking proposals for the services of a qualified consultant to prepare a feasibility study. The feasibility study is to determine if a banquet facility, constructed onto one of the golf course clubhouses, would be viable and supported in the community of Greeley.
