Liquor License Application Packet

Prepared by: Greeley City Clerk's Office 1000 10th Street Greeley, CO 80631 970.350.9743 <u>cheryl.aragon@greeleygov.com</u>

Dear Applicant:

Welcome to the City of Greeley liquor licensing process! This site contains general liquor/beer licensing information, as well as all local and State forms necessary to apply for such licenses. Reading through its' contents in detail will very likely answer many of your questions. An appointment with the City Clerk's Office is encouraged to review this packet before you begin the process. An appointment will be required at the time of actual submittal of your completed application packet and formal acceptance by the City Clerk's Office for processing to allow adequate time for review.

All forms must be typed or printed in black ink, accurate, complete in all aspects, and properly signed and dated. All applications must be submitted along with City and State application and license fees, referencing the Fee List provided in this packet. The City Clerk's Office cannot accept or process an incomplete application. Filing Concurrent Review (\$100 additional in State fees), as noted on Page 1 of the State Liquor License Application, provides for State review simultaneous to local review of a new license application. It also means that in light of backlogs that routinely occur in processing new applications at the State Liquor Enforcement Division level, applicants can expect to have their new licenses issued in within 16-18 days rather than 10-12 weeks from the date of the local public hearing and approval.

Please refer to the Department Referral Guide included in this packet for contact information of other departments/divisions to contact as part of this liquor license application.

Should you need additional information or have any questions, please feel free to contact the City Clerk's Office anytime at (970) 350-9743.

Good luck with your application process!

Sincerely,

Cheryl Aragon Cheryl Aragon, CMCDeputy City Clerk

City Clerk's Office • 1000 10th Street, Greeley, CO 80631 • (970) 350-9740 Fax (970) 350-9828

We promise to preserve and improve the quality of life for Greeley through timely, courteous and cost-effective service.

Process upon Submittal...

The City of Greeley Liquor Licensing Authority, an Individual Hearing Officer appointed by the Greeley City Council, considers liquor-related matters on an as-needed basis. Please consult the City Clerk's Office for scheduling information.

Upon submittal of a liquor/beer application, the neighborhood boundaries and public hearing date will be set by the City Clerk's Office within seven (7) days. Written notification of the proposed boundaries, public hearing date, and an Acceptance of Boundaries will then be provided to the applicant by electronic mail for the purposes of proving the needs and desires of the neighborhood, as provided by Regulation 47-107.1(C) of the Colorado Liquor and Beer Codes.

Written notification of the public hearing date will be provided to parties in interest within 500 feet of your proposed liquor licensed site, as required by the Greeley City Council in addition to the posting of the premises and legal publication required by State law.

The public hearing date will be set not less than 30 days from the date of submittal of the application, as provided by Section 44-3-136, of the Colorado Revised Statutes, and the applicant must be present at the public hearing to offer testimony and answer any questions posed by the Liquor Licensing Authority. Please refer to *Procedural Order to be Followed at Public Hearing* for information expected to be presented by the applicant.

City Staff Presentation:

The City Clerk's Office will provide the Clerk's Administrative Report, which will include status of application, proper notice of public hearing, conformance with applicable City codes and Health Department regulations as relayed by the City's Liquor Licensing Administrative Review Team, and proper communication of investigative background results to applicant. Staff will then be available for questions from the Liquor Licensing Authority relative to the reports provided prior to the applicant's presentation.

Applicant's Presentation:

The applicant, manager, or representative of the applicant will then be provided the opportunity to respond to any issues or concerns reported in the City Staff Presentation, to provide information about past experience in the sale/service of alcohol beverages and that of the proposed manager in charge of dayto-day operations, financial backers of proposed establishment, description of the character of the neighborhood of proposed site, proximity of the site to area schools and universities, and evidence, including any petitions or letters, regarding the reasonable requirements and the desires of the inhabitants of the neighborhood for the outlet proposed.

In addition to the above information, the applicant should also be prepared to discuss in detail the answers provided in the *Attachment to Liquor/3.2% Beer Retail License Application* regarding the description and the nature of the proposed business operations such as days and hours of operation, entertainment, number of employees, security plans, if any, training and operating procedures employees will follow in the safe and legal sale/service of alcohol beverages, and evidence relating to the likelihood that the applicant will conduct this proposed operation in accordance with applicable local and State laws, rules and regulations.

The applicant should then remain available for questions from the Liquor Licensing Authority and/or City staff and follow up discussion after any evidence from interested parties during the public hearing is offered.

Evidence from Interested Parties:

Interested parties are defined by law as "residents of the neighborhood under consideration, owners or managers of business, located in the neighborhood, and the applicant".

Liquor Authority Decision:

Decision made approving, denying, or continuing consideration of the application.

Neighborhood Needs and Desires Guidelines

After you have completed your application and submitted it for consideration, the City Clerk's Office will set the neighborhood boundaries and a public hearing date within three (3) business days. The neighborhood boundaries are typically a one-half mile radius of the site proposed for a liquor license, and the public hearing date will be not less than 30 days from the date of receipt of your application by the City Clerk's Office. You will be provided, by email, with a copy of the boundary map, as well as an acceptance of boundaries to be signed by you and returned to the City Clerk's Office.

Before approving a liquor license application, the Greeley Liquor Licensing Authority must consider the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidenced by petitions, remonstrance letters, or other evidence submitted by you. The burden of producing such evidence is placed upon you, the applicant. Although the law does not require that an applicant petition the neighborhood, it is the most common form of evidence presented. If you choose to use the petitioning method of proving neighborhood needs and desires, the survey petition and summary, which can be provided by the City Clerk's Office, must be used in this process. There are professional survey firms that you may contract with however the decision to use any such firm is entirely yours. Signatures obtained from petitioning should be from residents of the neighborhood and/or owners/managers of businesses within the designated neighborhood boundaries and who all must be at least 21 years of If you choose to petition the neighborhood as the chosen age. method of proving the needs and desires of the neighborhood, petitioning should not occur at anytime prior to receiving your designated boundaries from the City Clerk's Office.

There is no set number of required signatures you must obtain on a petition, but you must provide the Authority with sufficient evidence to support its findings that: 1) the reasonable requirements of the neighborhood establish a need for the issuance of the requested license; and 2) that the desires of the inhabitants dictate the issuance of the license. The Authority will also be looking to assure that a good sampling of the designated neighborhood was taken. For example, do not circulate just at one apartment complex or focus your attention on one area within the 1/2 –mile radius.

Each petition must contain a signed Affidavit of Circulator indicating that he/she personally witnessed each signature appearing

on the petition and that, to the best of his/her knowledge, each signature is the signature of the person whose name it purports to be and that the address given opposite the person's name is the true business or residence address of the person signing the petition. Failure to affix a completed Affidavit of Circulator, including notarization, may cause the petition(s) to be invalidated.

If the petitioning method is used for proving neighborhood needs and desires, your petition packet must be submitted to the City Clerk's Office no later than five (5) days prior to the scheduled public hearing date for review. Within 72 hours from receipt of the petition packet, the City Clerk's Office will provide you with a statement of review concerning the petition signatures verifying that they meet the criteria mentioned above. The applicant will then have an opportunity to amend the petition, obtain additional signatures, etc., if desired. An amended petition for the Authority's review and consideration must be filed 24 hours prior to the scheduled public hearing.

This information is meant only as a guideline provided as a courtesy by the City of Greeley. Applicants are encouraged to consult a private attorney for answers to legal questions or concerns.
