

**CITY OF GREELEY
HISTORIC PRESERVATION MONTH AWARDS
PROGRAM GUIDELINES AND NOMINATION**

DEADLINE – APRIL 12, 2019

Background

Chapter 16.60 of the Greeley Municipal Code provides for the designation, preservation, protection, enhancement and perpetuation of those sites, structures, objects and districts which reflect outstanding elements of the City's cultural, artistic, social, ethnic, economic, political, architectural, historic, technological, institutional or other heritage. It also promotes the stabilization or improvement of aesthetic and economic vitality and values of the City's significant sites, neighborhoods, structures, objects and districts; the protection and enhancement of the City; the promotion of the use of outstanding historical or architectural sites, structures, objects and districts for the education, stimulation and welfare of the people of the City; the promotion of good urban design; and the integration of historic preservation with the City's comprehensive plan.

The 2060 Comprehensive Plan supports the promotion of local heritage by identifying structures, facilities, and areas that carry historical, cultural, architectural, or geographical significance (Culture Chapter – CU1B). The Historic Preservation Month Awards program promotes local history and preservation, as well as teaches the community about Greeley's historic resources.

Recognition Awards

The Commission seeks to educate the public about Greeley's historic resources, historic preservation programs and benefits and to encourage public education, interest and participation. The Historic Preservation Month Awards recognize individuals, organizations and design professionals/contractors who have served to significantly further historic preservation efforts and achievements in Greeley.

Award Categories

Typically, the Historic Preservation Commission gives a yearly award to a Greeley representative in each of the following three categories:

- Individual – a Greeley resident who has contributed in a significant manner to the preservation or protection of local historic resources
- Organization – a Greeley business, non-profit, church or other entity that has demonstrated support for or advanced historic preservation in Greeley in a significant way
- Contractor/Design Professional – a Greeley design professional or contractor who has contributed in a significant manner to the preservation or protection of local resources

If the Commission finds there are no projects or nominees that meet the criteria, the Commission may opt to not give an award in a particular category.
