

JOIN US FOR THE 43RD ANNUAL ARTS PICNIC

JULY 30 & 31 AT LINCOLN PARK IN GREELEY!

It is time again for the annual City of Greeley's Arts Picnic at the beautiful and historic Lincoln Park in downtown Greeley. This two-day event is a guaranteed crowd-pleaser with something exciting for the whole family. Nationally recognized, the Arts Picnic brings artists and crafters from all across the United States selling everything from pottery, paintings, soaps, and sculptures. There will also be live entertainment and a Kid's Creation Station where children can create a make 'n' take craft project. After all of that, be sure to head over to the food court and try some of the mouth-watering cuisines from all around the world, and don't forget to savor a nice "cold one" at our beer garden all while enjoying entertainment from one of our two stages.
