

HANDICAPPED PARKING SPACE APPLICATION

(Please keep this page for your reference)

For qualifying residents, the City of Greeley will install a “Disabled Parking Sign” to mark off a space of a minimum of 16 feet of sidewalk in the closest proximity to the qualified applicant's residence. These signs mark the space and only allow vehicles displaying a valid handicapped license plate or placard to park there.

If a handicapped space is granted, the following requirements will apply:

- Any vehicles displaying a handicapped person or disabled veterans license plate or placard may use any handicap parking space.
- The applicant must reside on a residentially zoned street
