

How To Enable “Save Later” Option for Application

1. Click the following link to access the application:

<https://signnow.com/s/NXiUJIC8>

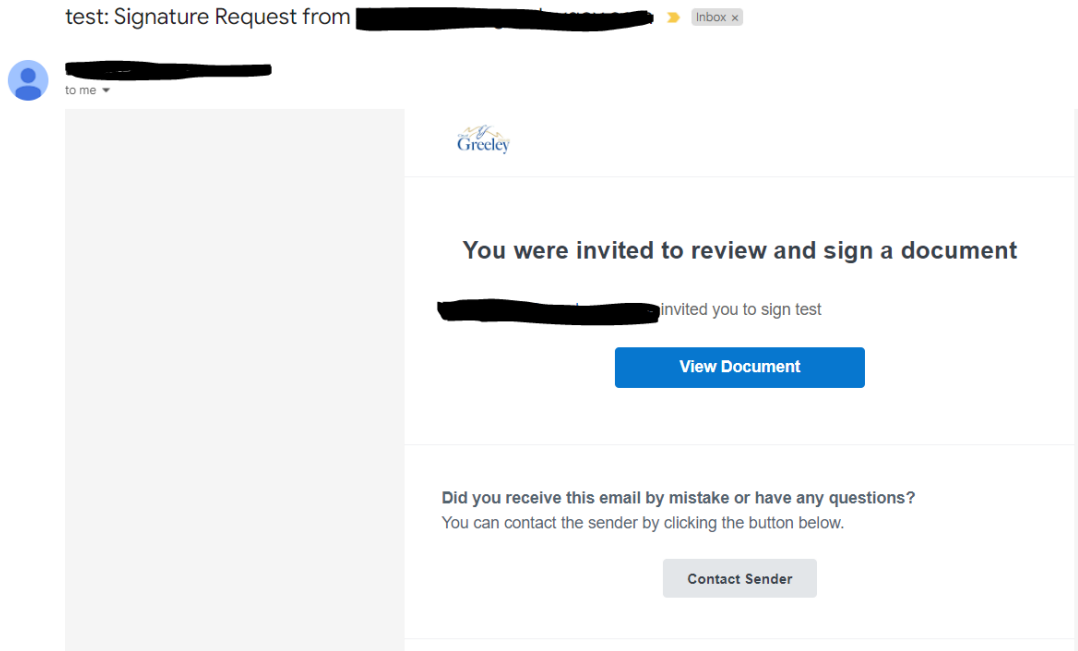

2. Please fill in your email address so that you can send this application to yourself to fill it out at your convenience.
 - a. Fill in your email in “Recipient 1” field
 - b. Click “Send Invite”

signNow

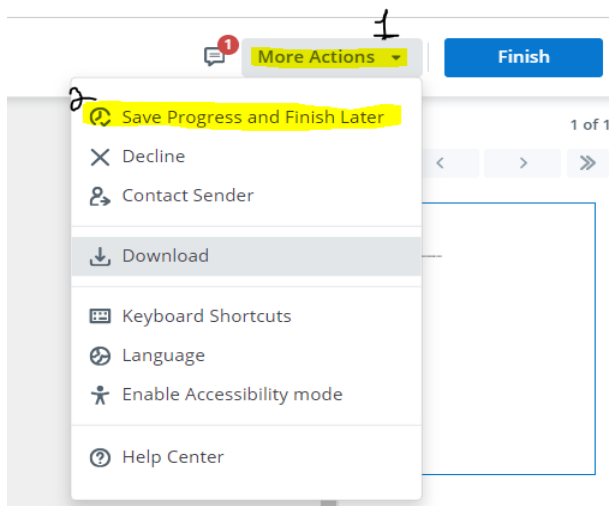

The screenshot shows a web form for sending an invite link. At the top, it says "Send invite link for test." and "Fill out the information below to get started." There are two main sections: "Rename Document" with a text box containing "test", and "Signing Step 1" which includes an "E-mail Address*" field for "Recipient 1" containing "test@test.com". A "Show Custom Email Message Settings" button is below the email field. At the bottom left, it says "* Required Fields" and at the bottom right, there is a blue "Send Invite" button. The footer includes "Powered by signNow", "© 2011-2024 airState Inc.", and a language dropdown set to "English".

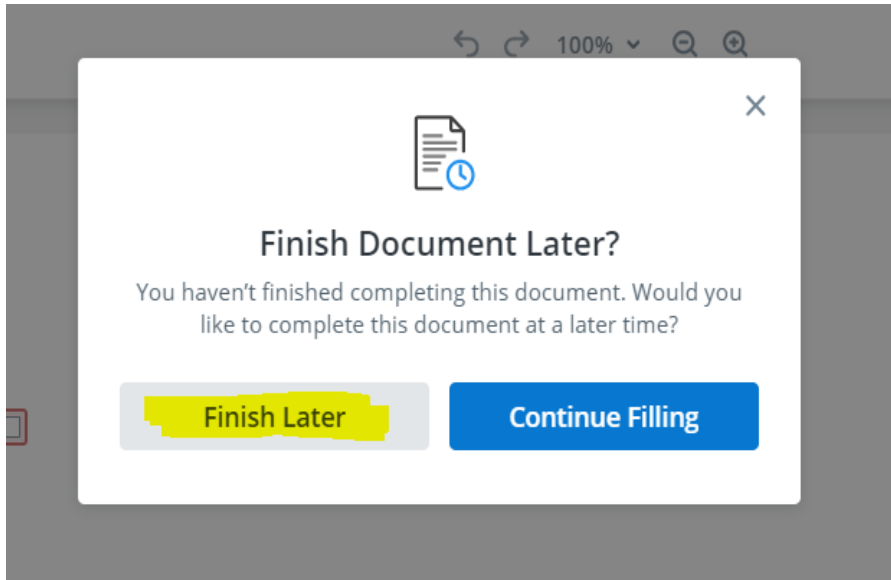

3. Go to your email inbox (Yahoo, Gmail, Outlook, etc.)
 - a. Find the SignNow email that allows you to “view the document”

4. Once you open the document, begin filling out the application. If you need to stop at some point and back at a later date:
 - a. Click the “More actions” tab in the top right corner of the screen
 - b. Click the “Save Progress and Finish Later” button

5. Click “Finish Later”

6. You can exit out of the screen.
7. You will be able to access your document again by going to the same email that contains the "View document" button and all of your progress will be saved from the last time.
