

We are Staying Safe!

We are following State of Colorado guidelines to protect the safety of our workers and our customers, including:

Increasing the frequency of our cleaning practices (including sanitization of high-touch areas)

Implementing 6-foot distancing measures

Monitoring our employees for COVID Symptoms

Providing **personal protective equipment** to our employees

Increasing the availability of **hand sanitizer and wipes** (for both employees and customers)

Disallowing **sampling** and customer access to **bulk-bin options**

Notifying customers **NOT** to enter our store if they are sick. Visit weldgov.com for test info
