ADMINISTRATIVE ORDER 2021.1(AMENDED)	
AMENDED ORDER REGARDING SAFETY IN GREELEY MUNICIPAL COURT	

WHEREAS, the undersigned Presiding Judge reports directly to City Council and is the administrator to Greeley Municipal Court, safety within this court is an immediate concern to be addressed. On May 18th, this court issued a mandated mask order that would expire on June 18th, 2021.

The State of Colorado has been moving away from mask mandates as the percentages of vaccinated people rises and the number of people hospitalized has been significantly dropping. This court has placed many preventative measures to keep the public safe such as expanding docket return days to reduce the number of people appearing at court as well as cold fogging the courthouse between busy docket days.

This court will continue a liberal continuance policy to allow people to reset their court dates if they are feeling sick. Although there will be no investigation or inquiry, I ask that non-vaccinated people wear masks when entering Greeley Municipal Court, as well as sick people to call and continue their court date rather than appearing in person.

IT IS HEREBY ORDERED that the previous administrative order mandating masks will expire on June 18th 2021 at the end of business and will not be extended. Starting June 21, 2021 parties may enter Greeley Municipal Court without a mask.

By Order of the Court,

June 17, 2021

Mark C. Gonzales
Presiding Municipal Court Judge
