ORANGE ZONE

Greeleygov.com/parking

To increase available parking in high-use areas downtown, Greeley created Orange Zone Parking. To stay longer than two hours in the Orange Zone without paying to stay, visitors must move their vehicle at least two blocks or leave the Orange Zone to restart their two-hour free parking timer. Parking is free in the orange zone after 5pm and on weekends and holidays.

Estacionamiento en el Centro de Greeley

Mejoras en estacionamiento en el centro de Greeley proveen más opciones para quedarse – esto incluye opciones paga-en-anticipo para estacionar su coche en el centro el día entero. Aún con cambios, estacionamiento en el centro permanecerá gratuito las primeras dos horas. Infórmate sobre las mejoras en estacionamiento en el centro visitando greeleygov.com/parking.

Ticketing

For most parking violations, Greeley uses an escalating fee structure that resets each year on Jan. 1st. A driver's first ticket every year is free — a friendly reminder of the local parking rules. After the first ticket each year the price increases. For more information on parking tickets, where to pay, or how to appeal go online to greeleygov.com/parking.
